From the Principal
Nut Aware School
Students and their families are thanked for their support in becoming a "nut aware" school and minimising the eating of nuts/nut products at school. The students have been wonderful in the way they have been monitoring their food and taking care with what they eat, where they eat and washing their hands after recess and lunch on their way to the playground. These simple strategies are helping us make Bowning an "inclusive" school.

If you have any questions or concerns, please do not hesitate in contacting the staff.

Good Bye and Good Luck!

**SAY BYE BYE TO BULLYING**

Following on from their experiences and training at the Leadership Conference in May, the Year 5 and 6 students are now leading a new initiative in the school to address the problem of bullying. All children want to feel happy and safe at school. The senior class have been undertaking some training and discussion around this topic and are ready to launch BYE BYE Bullying aiming to Spot it Out, Speak it Out and Stamp it Out. Shortly you will see posters and information around the school and hear more from the students themselves at this Fridays’ assembly.

**ELECTIVES**

Thanks to the help and interest of our families, our electives program continues to run well each Friday afternoon. This week, Friday 15th August, will be a slightly shorter session due to our school assembly. We will vary our timetable this Friday to accommodate both programs. This will include lunch running 15 minutes early.

Electives will run from 1:45 to 2:30pm. Students will take part in assembly from 2:35 to 3:pm.

All parents are welcome to drop in during electives and of course, are warmly invited to attend assembly.

**DOUGH DONATIONS REQUIRED**

Our clay work elective group requires dough to model their creations. The recipe for salt dough is below. If you are able to make a batch and send it to school by Friday we would be very grateful.

**What you will need?**

- A cup salt
- 2 cups of flour
- ¾ cup of water

**Instructions:**

In a large bowl mix salt and flour together. Gradually stir in water. Mix well until it forms a doughy consistency. Turn the dough onto the bench and knead with your hands until smooth and combined. Seal dough in an air tight container or plastic bag. Thank you for your help.

All welcome.
Road Safety Tips around Schools
School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.

- Always take extra care in 40km/h school zones, which operate on gazetted school days.
- Park safely even if it means walking further to the school gate
- NEVER double park as it puts children at risk
- Model safe and considerate behaviour for your child—they will learn from you
- Always park and turn legally around the school
- Always give way to pedestrians particularly when entering and leaving driveways

Avoid parking across the school driveway or the entrance to the school
Avoid parking in or near the school bus bay

To comply with national child restraint laws, your child should be restrained in the car as follows:

- 0—6 months: Approved rearward-facing child car seat
- 6 months—4 years: Approved rearward-facing or forward-facing child car seat
- 4—7+ years: Approved forward-facing child car seat or booster seat.

Make a rule that every child passenger must be securely buckled into a seatbelt or child car seat before you start the car. A sleeping child must remain firmly buckled up while the car is in motion.

Reward your child with lots of praise for good road safety behaviour.
Assist your young child to buckle up—always check the buckle and make sure the belt is not twisted.
Ensure your child always gets in and out of the car through the ‘safety door’. This is the rear kerb side door of the car.
Never allow children to get out of the car on the traffic side. When possible, children should remain in the car until an adult opens the ‘safety door’. This helps ensure that children get out of the car safely. Children aged between four and seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child car seat.

NEVER leave a child of any age in a vehicle without supervision.
